## Welcome to Fall 2020 – Quick Reference Guide, Computer Science

Dear Students, welcome to Fall 2020. Most of our faculty and staff are teaching and working remotely, but below is some useful information as we begin the new semester.

- During these 2 weeks, CS faculty and staff will have drop-in virtual open office hours as shown overleaf. Easily clickable zoom links are available at <http://cs.emory.edu/site/voh>
- You may also email department faculty and staff to schedule a zoom appointment
- For CS course placement and general undergraduate information, please contact Dr. La Fleur either during his virtual office hours or at [slafleu@emory.edu](mailto:slafleu@emory.edu)
